Observations... From Around Town

(BY JAY WHOZIT)

Tomorrow, November 6th, will be a bright day in the lives of the forty-eight Stanislaus youngsters, who with their coaches and supporters, will board the Hummingbird bound for Birmingham, Ala., and the Toy Bowl game there on Sunday afternoon, and may we add our good wishes for their success to those of their numerous other backers... well, Tuesday was election day, and what a day it turned out to be—producing what will undoubtedly go down in history as one of the greatest political upsets of modern times, because of the fact that everyone felt so sure of a Republican victory, that they were almost ready to concede victory to Mr. Dewey... still they went right down to the polls and voted Mr. Truman back into the presidency, and then sat back, bewildered, wondering what had happened... the membership drive for the Hancock County Chamber of Commerce began on Monday of this week and if you have not joined, do so at once, the annual dues are only \$12.50, a mere pittance when you consider the benefits that can be derived from a live and active Chamber of Commerce... the Little Theatre is back in action this week end, presenting the comedy production, "George Washington Slept Here" on Thursday, Friday and Saturday nights at their Playhouse on Boardman Avenue... Governor Fielding Wright and his running mate Governor Thurmond didn't do so bad in their first fling at big-time politics, carrying four states and winning 38 electoral votes, compared to none for Harry Wallace who served four years as vice-president under the late President Franklin D. Roosevelt... Mr. May or don't you think it's time you put that traffic light back at the intersection of the beach and the highway bridge, before someone gets hurt in an accident there, which could be avoided... when Virginia Military Institute comes down to New Orleans this week end, to play Tulane, it will be like a homecoming for their coach, "Slick" Morton who coached here at Saint Stanislaus and turned out one of the greatest Stanislaus football teams of recent years... the Mississippi State Department of Education mailed out checks this week for the second quarterly payment of more than four million dollars to the common schools of the state the checks representing equalizing funds used to provide money to schools needing financial aid toward achieving the standard set for the state... Stanislaus football team, defeated here last Friday night by St. Aloysius, 6 to 0, will journey to Baton Rouge this Friday night to meet the strong Catholic High eleven... the weather of the past several weeks has been more like mid-spring than mid-autumn, but we don't imagine anyone will have any gripe when they consider their fuel bills, and compare them with bills later on when the weather really gets nasty... to fishermen who use a casting rod and plug: the yellow mouths are beginning to hit, boys, so you'd better get out and get your share.

Mrs. Charles T. Bruce Died In New Orleans

Livestock Association Organized In County - Officers Elected

Meeting Called By County Agent Extension Animal Husbandryman From State College Present—Ed Litloff Named President—Will Plan Program

A meeting for the organization of the Hancock County Livestock Association was held on Friday morning, October 29th., at 10 o'clock A. M. at the office of the County Agent Howard L. Simmon.

The meeting was called to order by Mr. Simmons who introduced Mr. E. E. Grissom, Extension Animal Husbandryman from State College, and his assistant Mr. W. L. Richmond. Mr. Grissom discussed the value of having a well organized County Livestock Show and listed the following as the aims:

- 1—Must have County Livestock Organization to qualify for state money to be used as premiums.
- 2—To sponsor and assist with conducting a Hancock County Fall Livestock Show.
- 3—To improve the various breeds of livestock in the County.
- 4—Improve pasture Program.
- 5—Conduct pasture tours.
- 6—Assist the County Agent with carrying out a well organized Agricultural program in Hancock County.

"The only way to accomplish these plans" said Mr. Grissom, "is to have an organization."

The subject was discussed and a decision was reached that an organization should be formed. The following were elected as officers of the association:

President, Ed Litloff.
Vice President, Frank Keller.
Secretary, Howard Simmons.
The Board of Directors of the following: Thornton Brown, M. G. Eccles, D. C. Wahl, Alfred Wittorf and Lauren Moran.

The next meeting of the Association will be held in about forty five days for the purpose of completing the organization and planning a program. Meetings are to be held quarterly, with yearly dues of \$1.00, to be used to help defray minor expenses.

Second Annual Chocolate Bowl Classic To Be Played At St. Stanislaus Stadium Nov. 11th

Bay Tigers, Local Colored Team To Play Team From Camp Le Roy Johnson—Several Bands To Furnish Music For Occasion; Proceeds For Benefit of Legion Bldg. Fund

The Second Annual Chocolate Bowl Football Game will be played at St. Stanislaus Stadium on Thursday night, November 11th., 1948. This classic was inaugurated by the Clement R. Bontemps Post of the American Legion, last year and proved such a success that it is hoped that it will be a yearly event.

In the bowl game of last year the local independent colored football team met a team from Picayune, and the many fans who were privileged to witness this maelstrom by the spectators plays of the Bay team and their opponents. This year the Bay Tigers have piled up an enviable record, having lost only one game, by the narrow margin of one point.

In the Bowl game of this year they will meet a team from Camp Leroy Johnson, New Orleans and the football fans may rest assured that they will again witness a good football game.

The Tigers for the first time since their organization have complete uniforms with all necessary accessories. The uniforms and equipment were given to the Tigers by Coach Harry Glover, Jr., St. Aloysius High School of New Orleans.

Several bands will furnish the music at the Bowl Classic, one of which will be the St. Rose De Lima High School Band, composed of the children of the Colored Catholic Parish in Bay St. Louis, under the direction of Reverend Father Conrad Kinder, S. V. D., pastor of St. Rose De Lima Church.

The members of the 40 and 8 with their locomotive have been invited to participate in the half time activities. The admission for this game will be 85 cents for adults and 35c for children and all proceeds from this game is for the benefit of the Building Fund of the Clement R. Bontemps Post of the American Legion.

Remember the Chocolate Bowl Game to be played on Thursday night, November 11th., at 8 o'clock.

Halloween Festival Sponsored By P-T. A. Enjoyed By Many

The Halloween Festival sponsored by the Bay High P-T. A. and held in the Bay High Gym, Saturday night, October 30th proved successful in entertainment and financial results and was enjoyed by many.

First prize for the best individual costume child went to Marie Lafontaine who impersonated an Indian girl. Karen Kergosien, representing a witch was the runner up winning the second prize. For the costume group, Sylvia Horton, Carol Horton, Shirley Mae Miller and Barbara Ann Burrow, impersonating cigarette girls captured the honors in that class.

There were many attractive booths. One attracting much attention was the country store. The large Bay High gymnasium was colorful and gay in its Halloween decorations.

Following the report from the judges, Wayne Alliston, C. A. Breath, L. A. Rogers and Bill Witter and the presentation of the awards by Mr. Breath, dancing was the feature of entertainment and the young people made a pretty picture as they danced to the music of the Bay High orchestra.

Mrs. A. J. Noto, president of the P-T. A. wishes to express her appreciation to each and every one who in any way contributed to the success of the affair.

"LET'S GET BETTER ACQUAINTED" THEME OF ROTARY PROGRAM

Alden Mauffray was in charge of the program at the weekly Rotary luncheon last week at Hotel Reed. Recalling some of the admonitions given by the District Governor of Rotary who addressed the local club the week before concerning Rotarians feeling at ease when putting on a program and saying that all members should feel free to handle a program at any time. Mr. Mauffray launched a "Let's Get Better Acquainted" idea and prefaced his presentation of the program by saying that many times there would be a better understanding among people if they knew each other better.

He then unrolled a window shade upon which was printed the following: Your Full Name, Date of Birth, Place, Married, To Whom, When Married, Where, Number of Children, Your Business or Occupation, Started When, Where, Do You Like Your Business? How Long Have You Been a Member of Rotary? What Has Rotary Meant To You?

Members of the club were asked to stand in order and answer these questions about themselves. Then Mr. Mauffray found that many of the Rotarians did not know everything about themselves and little about some of their fellow Rotarians but almost half of them were ready and did answer all the questions. It was fun provoking and many came away liking the program a lot—its newness of idea, its ingenuity and all hope that at some future date all of the club members will have answered these questions. The program will be continued at some future meetings of Rotary.

Mrs. Harry J. Zimmermann Dies at Her Waveland Home

Mrs. Harry J. Zimmermann, who was the former Miss Mary Alice Dunn, died at her home at Waveland, following a prolonged illness, on Monday, November 1st., 1948, at 10:30 A. M.

President Truman Elected To A Full Term As President Of The United States

States Right's Candidates Carry County, With Total Vote Of 1400—Truman Ticket Receives 222—Combined Republican Vote 151 And Wallace Ticket 2 Votes—Amendments Defeated

Tuesday was election day in the United States, and what a day it proved to be. The day of the greatest political upset of all times. President Harry S. Truman, whom the boys in the know how had counted out of the picture was elected President of the United States for a full term.

Before and at the time of nomination and from then to the wee hours of the morning of the day following the election, it was thought by many of the leaders of the Democratic Party and all the Republican Party and by the rank and file of voters that there was no chance of the President's election. As the counting of votes progressed, it was thought that the lead that he had assumed in many sections was only temporary, however as the vote counting went on he continued to maintain the lead he held and later he assumed the lead over his opponents in the states of California and Ohio.

At 10:30 A. M. his Republican opponent Governor Thomas E. Dewey of New York conceded the election and from last reports it appears that the President received 304 electoral votes.

The election of President Truman will go down in history as the greatest political phenomena in this country. It seemed that he alone felt that he would be elected and by

an aggressive, well planned campaign that he carried on throughout the length and breadth of the United States he was returned the victor.

In Hancock County the election went off quietly. As was expected the States Right's Democrats headed by Governor J. Strom Thurmond of North Carolina and Governor Fielding Wright of Mississippi received the majority of the votes cast. The total vote as reported in Hancock County was:

States Right's Democrats	1400
National Democrats	222
Independent Republican	49
Regular Republican	102
Progressive Party	2

In the vote on the Amendments, 18, to provide for annual meetings of the Legislature the vote for the amendment was 352 for and against 714. The vote on resolution number 56 to amend the section of the constitution as to the qualifications of voters was 450 for the amendment and 623 against.

The vote for the unopposed nominees of the Democratic Party was as follows:

For United States Senator:	
James O. Eastland	953
For Congressman:	
William M. Colmer	920
For Supreme Court Judge:	
Lee D. Hall	825

Coach Glover's St. Aloysius Team Defeated St. Stanislaus Last Friday Night

Coach "Wop" Glover brought his fine Aloysius team to his old stamping ground last Friday night and managed to walk away with a 6-0 victory over his Alma Mater, the St. Stanislaus Rockchaws.

The Rocks, badly crippled by the loss of end Micky Dolan and back, Levy Ladner, put up one of the gamiest battles of their lives. Out weighed nearly 20 pounds to the man, the Rocks were determined to hold, but late in the third period, a 90 yard Crusader pass carried to their 10, with fourth down and 1 to go, Zimmerman crashed over for the winning mark.

Late in the fourth period Rock end Gilmore blocked a Crusader punt on the visitors 42. The Rocks seemed headed for a touchdown, and were on the Crusader 19 when Christensen intercepted a pass that broke the Rocks chance.

St. Aloysius made 10 first downs to 5 for St. Stanislaus.

—Miss Barbara Trastour and Louis Holmes came from the University of Alabama, where they are students and spent a week end with Miss Trastour's mother and grandmother Mrs. Antoinette Trastour and Mrs. S. M. Meyer.

RED CROSS NOTES

A twelve hour Orientation course of study for volunteer workers in the Veterans Administration Hospital at Gulfport, has just been completed. Sponsored by the American Red Cross, the course consisted of four sessions, three hours each, and was most interesting and instructive. Lectures by the professional staff of the hospital, motion pictures of the Veterans Administration rehabilitation services being carried out, visits to the Therapy Departments, and a tour of the hospital, highlighted the course.

On the last day, a reception was held in the nurses lounge, and cards were presented by Dr. McMahan, manager of the hospital, to the following ladies, who completed the course:

Mrs. Margaret Backman, Mrs. F. Curran, Mrs. A. O. Drescher, Mrs. J. B. Goldman, Mrs. Andrew Gray, Jr., Mrs. J. D. Husband, Mrs. J. C. Jones, Bay St. Louis; Mrs. G. S. Kennedy, Sr., and Mrs. George Lehlener, Waveland; Miss Louise Borsage, Mrs. David J. Cuevas, Mrs. D. W. Farler, Mrs. John S. Gersch-backer, Mrs. M. J. Kremer, Mrs. Cecil Hopkins Ramsey, Mrs. Wenda V. Swift, Miss Tommy Williamson.

Mrs. E. J. Vigour, Gulfport; Mrs. T. W. Tracy, Handsboro; Mrs. Jason Floyd, Mrs. Pearl C. Floyd, Mrs. Mary G. Hoffman, Mrs. E. J. Whit-ing, Long Beach; Mrs. T. C. Get-ton, Mississippi City; Miss Louise Caro, Pass Christian.

These ladies will begin their duties immediately, serving as volun-teers in this hospital. They have been selected to work in the Library Ser-vice, Nursing Service, Occupational Therapy Department, and the Re-creation Department. They feel that it is an opportunity and a priv-ilege to have a small share of the responsibility in helping to restore to each veteran his fullest chance for a happy and normal life.

Rev. Earl P. Knoblock of Gulf-port, Miss., will hold a first Evan-gelical Lutheran Church Service in Bay St. Louis at the home of Mrs. A. J. Noto, 213 State Street on Sunday, November 7th. 3 P. M.

Everyone is cordially invited to attend.

Boys and Girls On Motor Scooters Must Have Drivers License Says Birdsong

Colonel T. B. Birdsong, Commissioner of Public Safety states, too many of our boys and girls are riding Motor Scooters or Motor Bikes that do not have drivers license and in many instances they are too young to obtain one. You must have reached your fifteenth birth-day before you are eligible for a drivers license. The Attorney Gen-eral has ruled that Motor Bikes or Motor Scooter operators must have a drivers license.

I urge the parents of our state to refrain buying these children scooters or Motor Bikes until they are old enough to get their drivers license. We have had a number in-jured and several killed and in practically every instance they were too young. Not only is this danger-ous but the parents encourage the boys and girls to break the law. We quote the Law says Birdsong which shows a Parent can be tried in Court for this violation as follows:

Senate Bill No. 161—Laws of 1938—Title II, Section 34.

Section 34. "No person shall cause or knowingly permit his child or ward under the age of fifteen years to drive a motor vehicle upon any highway when such minor is not authorized hereunder or in viola-tion of any provisions of this act.

Highway defined as the entire width between property lines of every way or place of whatever na-ture when any part thereof is open to the use of the public, as a mat-ter of right for purposes of vehicu-lar travel."

We are instructing all Patrolmen to enforce this law as well as all others and also urge the Police in each city to cooperate with us in enforcing this law.

OVER 150 BOYS IN CITY ATHLETIC PROGRAM

For a city its size, Bay St. Louis can probably boast of more foot-ball players and games than any town in many miles around. At present there are six teams at Bay High and St. Stanislaus, with as many as 4 games being played in a week.

At St. Stanislaus' Stadium last Thursday there were 3 games play-ed. The Rockachaw Juniors defeat-ed Notre Dame Juniors 26-0. The Rock Pebbles then met the Bay High Baby Cubs and emerged the victors 13-7. Thursday night the Bay High Varsity lost to Poplarville.

In addition to the regular varsity teams, Bay High and St. Stanislaus boast of their Juniors and Babies. Some fine ball playing can be seen when these youngsters tangle and everyone is invited to see the games.

It is impossible to print a sched-ule for the Junior teams as these games come up just like a hurri-cane—out of nowhere.

"To Soap or Not To Soap" Presented By Sophomore Class At Bay High

Mrs. J. D. Vaughn presented the students in the Sophomore Class of Bay High in a play "Soap or Not To Soap" at the assembly period of the high school on Friday morning. Those taking part were Leon Smith, Frances Herring, Irma Joan Lee, Dan Dawsey, Betty Osbourne, Frank Godwin, Earl Bennett and Donald Luxich. Cecile McCaleb was mas-ter of ceremonies and conducted the program.

Bay High orchestra under the di-rection of George Wimberley fur-nished music for the occasion. The members of the orchestra were dressed as Hill Billies.

Mrs. Vaughn used the same play as Mrs. Perkins in her Halloween program in order to bring home to the school boys and girls that Hal-loween pranks may appear harmless and only fun to the person upon whom they are played. The play showed the difference between the right and wrong sort of fun.

Can Black-Draught Help an Upset Stomach?

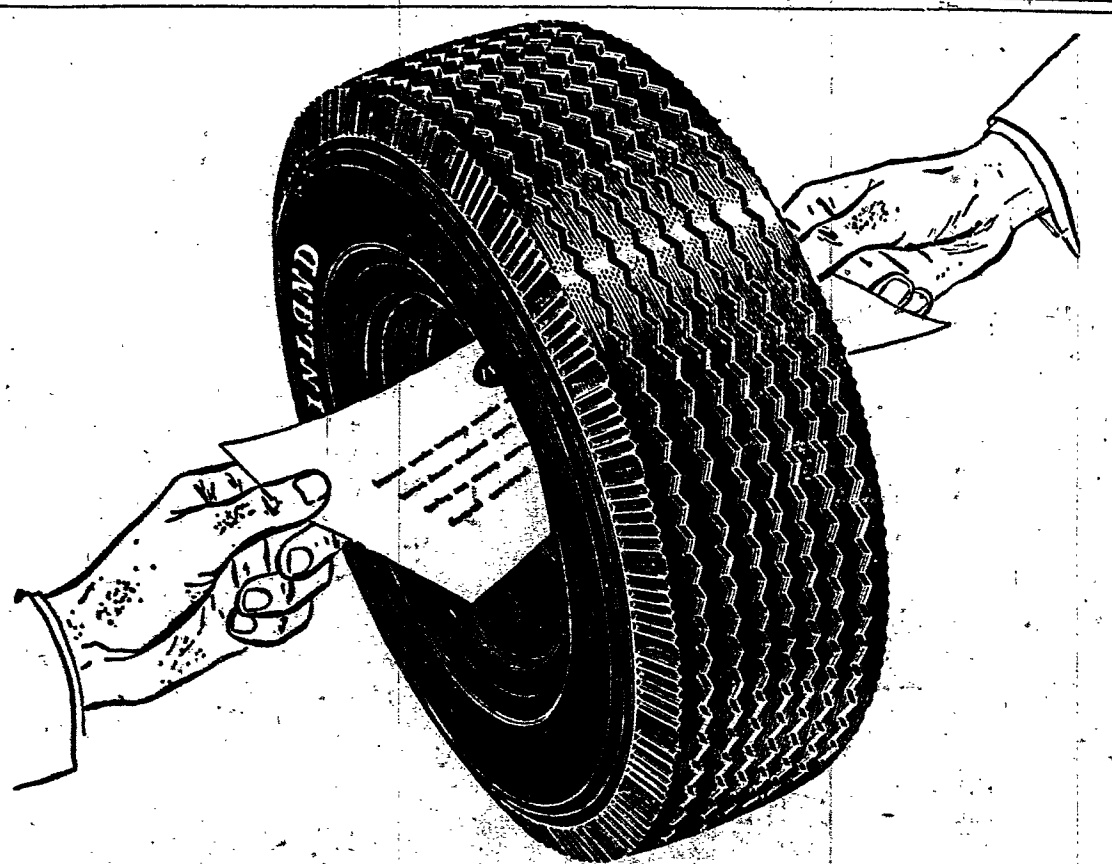

Yes, Black-Draught may help an upset stomach if the only reason you have an upset stomach is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatu-lence, physical fatigue, sleeplessness, nervous habits, bad breath—and if these symptoms are due only to constipation—then see what Black-Draught may do for you. Fourth Grade Pupils Of Central School Present Halloween Program

Mrs. Grady Perkins presented her pupils, the fourth grade in a Hallow-een program in the Bay High audi-torium on Friday morning, October 29.

The program opened with Janet Miller reciting that old but always new "Little Orphan Annie" by Ri-ley.

The entire group, under the di-rection of Mrs. Carl Smith, sang two Hallow'en songs.

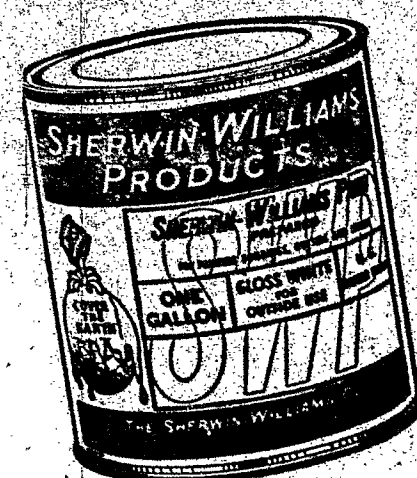

The very timely play "To Soap or not to Soap" was given by John Floyd, E. J. LaCoste, III, Baylissa Lewis, Ty Robin, Norman Shiyou, Wayne Alliston, Jr., Joan Di Maria Betty Raley, Tommy Karl.

The children showed training and ability.

ORTTE THEATRE WEDNESDAY - THURS. "NORTHWEST STAMPEDE"

With James Craig, Joan Leslie and Jack Oakie in Technicolor

A film that contains the beauty and grandeur of the Canadian Rockies, the thrills and excitement of a wild horse stampede, and the color and spectacle of the great outdoors, Eagle Lion's Cinecolor extravaganza, "Northwest Stampede," will open at the Ortte Theatre, Wednesday and Thursday.

Filmed on location in beautiful

Banff National Park, near Calgary, Canada, the picture catches the wonderful color of the entire region. The thrill-packed stampede scenes were taken at the annual Calgary Stampede and Rodeo adding a superb touch of realism.

James Craig, playing a hard-bitten, hard-riding cowboy, wants to sell his late father's ranch. Fighting him in this attempt is his father's foreman, Joan Leslie. Before Craig and his

partner, Jack Oakie, can sell the ranch they must pay off a wage bill for salary owed Joan. This they intend doing by selling the herd of wild horses they have rounded up.

Wins Rodeo

The plans go awry when the horses are set free by White Outlaw, a wild range horse. Craig enters the annual rodeo for the prize money to find Joan competing against him. He only tops her by winning the final event—the chuck wagon race.

Craig decides to capture the outlaw horse before selling out and off he goes into the woods. He is accompanied by his female nemesis and two have some thrilling adventures in the chase leading to a smashing, excitement-packed climax.

Besides Craig, Leslie and Oakie the cast includes Chill Wills, Victor Kilian, Stanley Andrews, Ray Bennett and Lane Chandler. White Outlaw, the horse, shares animal honors with Flame, the amazing dog.

"Northwest Stampede" was produced and directed by Albert S. Rogell. It is based on Jean Muir's Saturday Evening Post article "Wild Horse Roundup."

COUNTY AGENT NOTES

Fall is a good time for dairymen to check on whether they have adequate shelter to protect herds from severe winter weather, according to L. A. Higgins, Extension Dairyman.

Housing of the herd has a tremendous influence on the yearly production and a still greater influence on the return above cost of feed for the year, Mr. Higgins declared.

During the unusually bad weather of last January and February, dairy cows on many Mississippi farms were allowed to run out in the open both day and night. This resulted in considerable loss to owners, Mr. Higgins pointed out.

Although building costs are high, costs of trying to get milk from cows that are exposed to winter weather are also great, the dairyman explained.

A roof on posts set in the ground with siding of some kind on the north and west exposures will afford much protection.

Sanitation should be kept in mind, Mr. Higgins said. Liberal use of straw, leaves, damaged hay or similar material will help keep the cows clean.

A supply of good hay and silage to keep before cows on days they

are kept in the barn will quiet their nerves and help to fill the milk pail, he added.

Sugar Cane

Three varieties of sugar cane are now recommended in Mississippi, and good results have been obtained after fall planting.

Variety C. P. 29116, having average production of 492 gallons per acre, is not subject to mosaic disease and is well adapted for sirup production. Co. 290, average production 385 gallons per acre, is subject to mosaic disease, but produces fair yields under good conditions when disease-free cane is planted.

The third variety, C. P. 31511, is not subject to the mosaic disease, but is recommended only as a chewing cane.

Planting dates of October 1 and November 1 with Co. 290 have resulted in yields of 507 and 448 gallons of sirup, respectively, according to the U. S. Sugar Plant Field Station near Meridian. This compares to 38 and 484 gallons per acre for March 1 and April 1 plantings, respectively, of the same variety.

Similar results favorable to fall planting were reported for C. P. 29116.

Method of planting cane is to flat break the land; then set up furrows six to eight inches deep with the middle buster, using four and one-half foot rows. Plant cane in the furrows and cover as deep as possible with a turning plow. The middle between the rows should be about two inches deeper than the planted cane.

Rate of planting recommended, stalks end-to-end is one and half to two stalks.

The Field Station reports with planting at the rate of two stalks, 588 gallons per acre, plant cane, and 533 gallons per acre, first year stubble.

Tree Seedlings

A good supply of tree seedlings for the farmers of Mississippi is expected this year, Extension foresters state.

Application should be made now for the seedlings which will be delivered for transplanting this winter. Necessary application blanks can be obtained from county agents or a local forest ranger.

Any farm is eligible to receive 5,000 seedlings per year free of charge except for the cost of transportation from the nursery, fore-

sters remind farmers. Careful selection should be made of the location for planting seedlings. First choice should be on steeper, poorer class land which is unsuitable for either row crops or pasture.

Next choice is selecting planting sites should be abandoned fields and other areas needing reforestation, which are without seed trees. Transplanting of pine seedlings may be necessary if no seed tree is within 100 yards of site.

The area for transplanting should be protected from fire and livestock, both of which are very damaging to seedlings.

Seedlings being grown are loblolly and shortleaf pines at the Winona nursery, and slash, pine, longleaf pine and black locust at the Mount Olive nursery.

Foresters generally recommend loblolly and shortleaf pine for plantings north of Highway 80, between Vicksburg and Meridian. South of this highway, slash, longleaf and loblolly pines are satisfactory.

Ice storms of the past two years harmed slash and longleaf pines in some localities of north Mississippi.

A three-line message in the Echo's Classified Column will rent that spare room for you. Only 30c.—Adv.

ROCK ORCHESTRA PLAYS AT GULF PARK COLLEGE

By Norbert Carnovale
The St. Stanislaus Orchestra played to a packed house in their opening date at Gulf Park College. In spite of the fact that this was our first job of the year all the boys put in a swell performance. Due to the absence of our regular drummer, Roy Gollotte, who was our drummer last year, filled the open slot.

The orchestra this year has converted its playing to a more modernistic trend, playing a number of Progressive Jazz Series arrangements and some standards in the Bop vein.

A featured artist in the band this year is Stan Rosenblath, who started his initial year at Stanislaus in September. Stan is our vocalist and also alternates on piano. His vocal renditions have already created a stir among our patrons.

The brass section has been enlarged this year. We are using four trumpets and two trombones instead of three trumpets and one trombone, as was done in the past. A newcomer in the band is Gilbert Schmidt who handles the Second Trombone spot. On first trombone is Jack Drescher who incidentally, is a three-year letterman with the orchestra, and is one of the best trombonists on the coast. The trumpet section is composed of Norbert Carnovale, Larry Scharff, Joe David and Sal D'Angelo. These boys are the power crew of the band. Their sweet music and super-powerful brass kicks are definitely of the best.

The Sax section is kicking in the groove also with Norman Carnovale on lead, Marion Wolfe and Henry Capdepon on Tenors, Clarence Hava on Baritone, and Paul Hurley on Alto. Henry and Paul are newcomers but they are progressing rapidly.

Orchestra practice is held as often as possible during the week. There is a lot of work to be done before the band will be in top shape; however, it is ready to play any engagements. It is expected that the schools on the coast will hire the band for their dances as has been done for the past few years. The money obtained from these jobs is used to defray the expenses of the music department.

The uniform of the orchestra will be the summer tuxedo. These flashy uniforms have always made the band

Monthly Meeting Of Woman's Society of Christian Service Held

The Woman's Society of Christian Service of the Methodist Church held its regular monthly meeting on Tuesday, October 19th, at the home of Mrs. T. T. Robin with Mrs. J. A. Tognotti, President of the Society, presiding.

The meeting was opened with prayer by Mrs. F. J. Nelson. Reports were given by the various committees. Mrs. Sam Whitfield reported that the work of enclosing the porch, painting and heating of the Pastors home was completed and that many donations were received for this cause.

Week of prayer and self denial will be held on October 29th, from 10:30 A. M. to 2:30 P. M. Those attending were asked to bring sandwiches. Coffee will be served by the committee.

On November 5th, at 3 P. M. World Community Day will be held at the Methodist church.

The Devotional "When Jesus served the multitude" and the program subject "Alaska among the Northern Lights," was presented by Mrs. G. Schilling.

The meeting closed with the Lord's Prayer.

Refreshments were served and a social hour enjoyed.

Hostesses were Mrs. Leo W. Seal, Mrs. J. H. Weston, Mrs. John Osotnach and Miss Florence Dixon.

—Mr. and Mrs. Douglas Queylen, nee Joyce Arnold of Lafayette, La. announce the birth of a son in October. This is their second child.

—Mrs. Leonard Favre has returned from a visit to her sister and other relatives at Nicholson.

—John Scafile is a patient in Tours Infirmary, New Orleans where he has been for the past week.

Bay High Tigers Defeat Ocean Springs By Score Of 21 To 12

Meet Demonstration Tonight at St. Stanislaus Stadium In Homecoming Event—Dance Will Follow Game.

The Bay High Tigers, playing one of their best games of the season, trampled Ocean Springs last Thursday night by a 21-12 score.

The Tigers fighting to come back after their lopsided defeat by Poplarville, were not to be denied. In the first quarter, Truman Schultz skirted his left end for the first tally and repeated in the second period. Ocean Springs scored once in the first period also, with the half-time score reading Bay High 14 and Ocean Springs 6. In the fourth quarter, Prevost accounted for the third Tiger score.

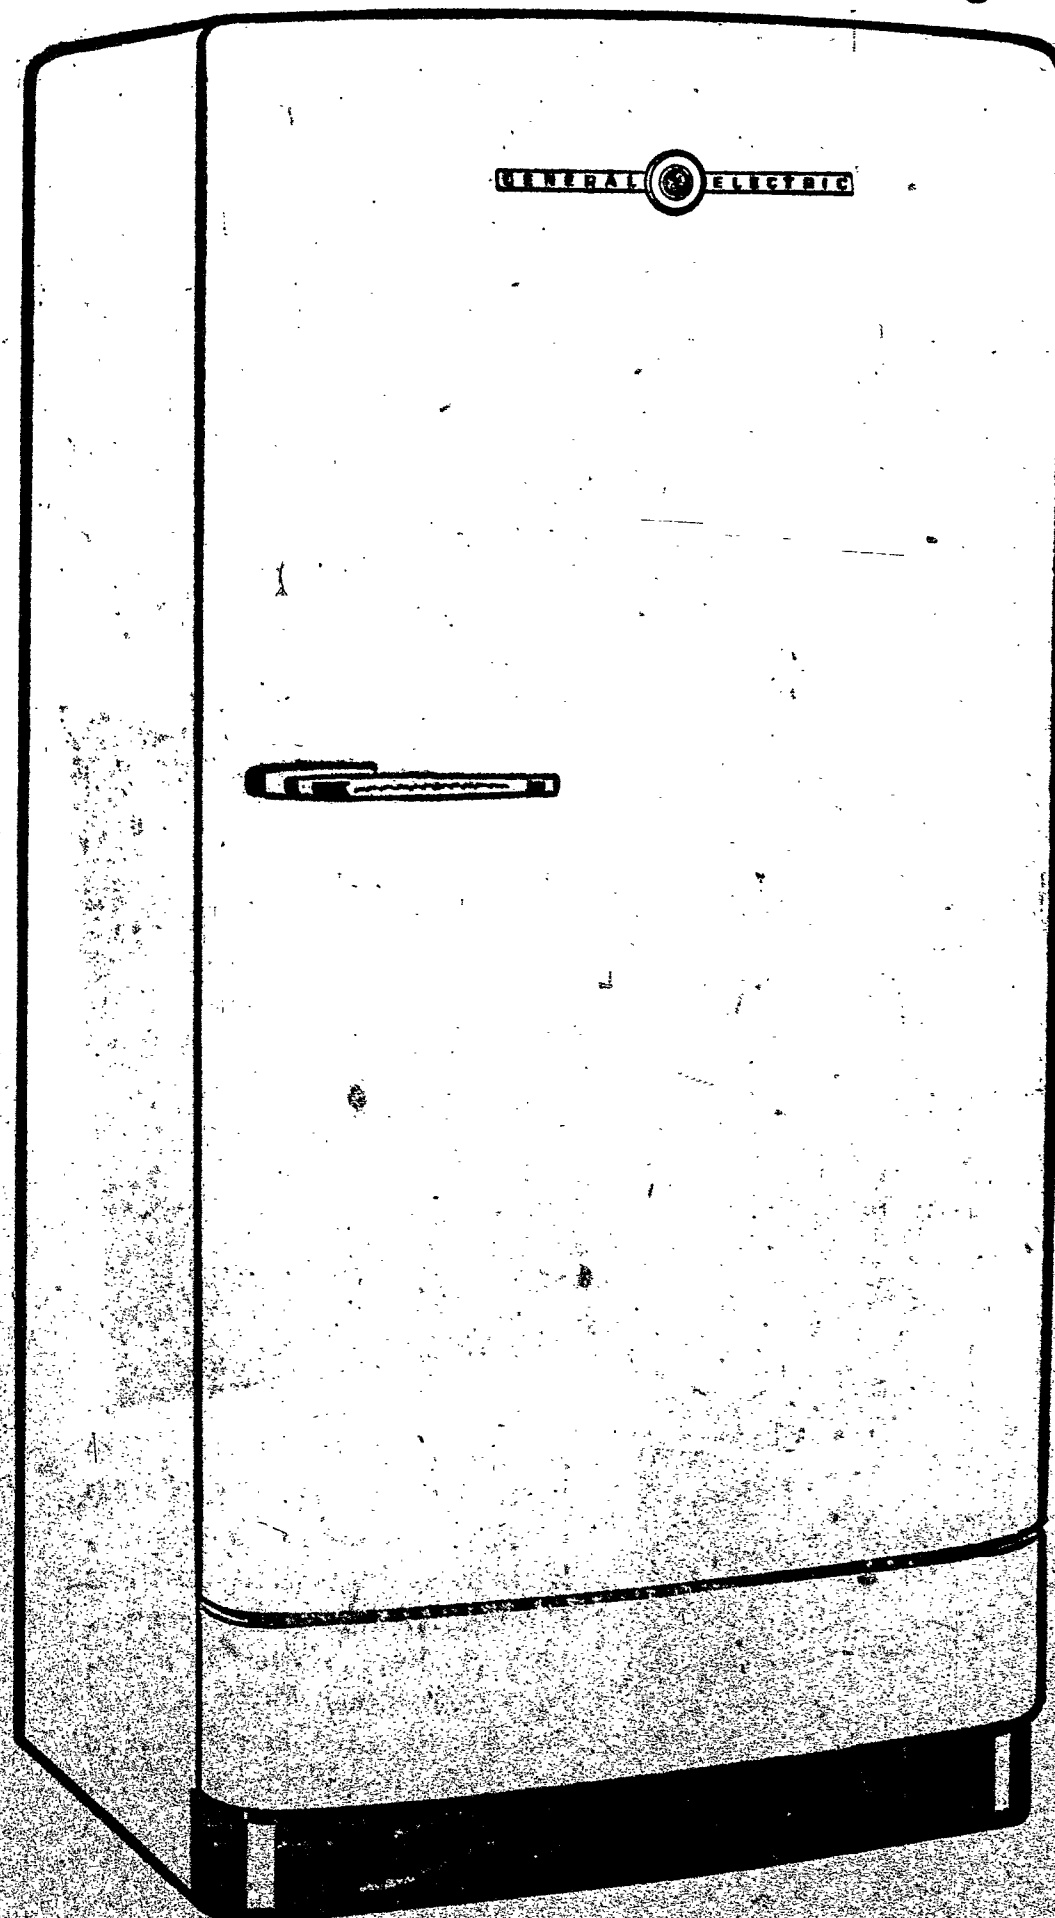

Tackle Clyde Favre of the Tigers

seems to have really found himself and his defensive play in the line was above reproach. Before he graduates he should turn into one of the finest linemen the Tigers have had in recent years.

Colson, Schultz and Prevost starred in the Tiger back field, their many long runs keeping the visitors in the hole most of the time.

Tonight, Friday, November 5, the Tigers meet a fine Home Demonstration team from Hattiesburg in the Annual Bay High Homecoming game. The kickoff will be at 8 p. m. on Stanislaus field, and after the game the annual dance will be in Bay High gymnasium.

GEAR SHIFT CONTROL IN OUTBOARD MOTORS

A new outboard motor featuring Neutral, Forward, Reverse accomplished by Gear Shift Control was disclosed today by Johnson Motors, one of the older and larger outboard manufacturers, to their local dealer Chas. A. Breath, Jr.

The new motor, known as the Johnson Model QD, develops 10.0—OBC certified brake horsepower at 4,000 revolutions per minute and weighs only 56 pounds (without the separate fuel tank). The QD is said to be not only a brand new motor but a new kind of motor in that it gives the owner control and performance not previously available in this field.

It has been customary to carry fuel in an integral tank holding about an hour's supply. This has added 10 to 12 or more pounds to the motor weight. An auxiliary supply in a separate can has been essential for a satisfactory cruising range. Now, in the new QD motor, the 5 gallon Mile-Master tank is separate from the motor, making possible the Two-Hand-Carry motor in one hand, fuel supply in the other. A 12 foot flexible fuel line is equipped with a Self-Seal connector which plugs in to the motor like connecting a toaster. Thus what has been an extra fuel supply now becomes the regular supply ample for hours of full throttle operation.

With the new QD, absolute and complete boat control is provided. Start in Neutral at the dock; shift into reverse and back out under full control, shift again and the boat is on its way with "hold-your-hat" acceleration.

Those are only the two most unusual QD features. There are numerous others such as one level speed control, automatic speed limitation in neutral and reverse, the new Vari-Volume pump for cooling, slow consistent trolling speed, quiet underwater exhaust with exhaust gas diversion in reverse to prevent cavitation, rubber floated propeller and many others.

This new motor has been more than five years in the making. A half million dollars have been invested in tooling for quantity production. And the motor is now in production. Shipments are going to dealers and local displays are being made in thousands of dealer stores throughout the country.

RED CROSS NOTES

The Executive Board of the Hancock County Chapter of the American Red Cross met with Mesdames E. M. Weston J. B. Goldman, A. O. Dresher, A. W. Moore, L. S. Elliott, Messrs. H. T. Carr, Lamar Otis and Walter J. Gex Jr., present.

Miss Julia Blaize and four young ladies of Bay High School drove to the Veterans Hospital in Gulfport to take 100 Halloween wall decorations and 150 Tray Favors made by the Bay High Junior Red Cross. Current magazines and Fundy Books were taken, also.

While there these young ladies were taken on a tour of the hospital and later helped decorate the hall for a party. Those driving over with Miss Blaize were: Misses Joyce Creel, Cecil McCaleb, Dawn Sellier and Irma J. Lee. They were accompanied by Mrs. A. O. Dresher, American Junior Red Cross Hancock County Chairman.

Magazines and funny books are a real treat for the veterans. Felt hats are used in occupational therapy. So if you have either or both of these articles please take them to the Red Cross Office in the Court House or to Mrs. L. S. Elliott at 209 Main Street, if the office is closed.
